

## **Speaking Opportunity Blueprint**

The following is your roadmap for finding speaking opportunities where organizations would LOVE to have you on their stage. You are not there to simply speak to their audience. You are there to deliver value with which they can hit the ground running immediately after hearing your content. Stand in your value, own your authority as a professional expert and leader of influence.

## The Big Picture of Possible Speaking Opportunities<sup>1</sup>

Type of Organization	Possible Decision-Makers
